WHAT ARE YOU THANKFUL FOR?

What am I thankful for this year?

I am thankful this year for...

Food.

It is like one million butterflies in my stomach.

What am I thankful for?

What am I thankful for this year?

I am thankful this year for...

My mom and dad I love.

They make my heart proud.

What am I thankful for?

What am I thankful for this year?

I am thankful this year for...

My friends like Benita.

She makes me laugh, she makes me happy, and she will always be my friend.

What am I thankful for?

**I WILL ALWAYS BE THANKFUL.**
