

Thanksgiving is one of the best holidays.
It is one of the best holidays because it is
A day that you're supposed to thank God for
all the things that he's giving you. Thanksgiving is
also a day to thank your parents. I thank
My parents for every thing they gave me
Also God. A thing I love about Thanksgiving is that
the food that my family
Makes, is very good. I always enjoy the
Elegant food even when it is not thanks giving.
I love every body in my family especially
God.
