

Thanksgiving is the best holiday  
I want to celebrate it all year  
It is a great day  
For all of you to cheer  
I am thankful for my parents  
And for all of you to know  
I am thankful to everybody  
All three hundred sixty-five days in a row  
When I celebrate thanksgiving  
There is a big feast  
When I am finished eating  
I will look like a beast  
Thanksgiving is all about hope and courage  
There are a lot of good fruits like pears  
It is like magic  
When all of the people DISAPPEAR
