I am thankful for a lot of things! But if I had to choose one, it would be going on vacation with my family. Last summer we went on four vacations. We went to Florida, Italy, Venezuela, Sodus, and Alfred. I am thankful for that because I don't get to see a lot of my family members because they live in Italy and Venezuela. Last summer, we went to Florida to see some of my friends. We went Sodus to visit my cousins at their cottage. We went to Alfred and stayed for two weeks with my cousins to go to the balloon festival. I am thankful for vacations because I don't get to see my dad a lot because he is always on business trips and when he is home he is always hunting. So this is a good way for us to get together.

Another thing I am thankful for is my family. I am thankful for my family because they do a lot for me. A couple things that they do for me is bring me horseback riding and bring me to all my sports. All the family members in my family are my sister Julinana, my brother Anthony, my dad Tony, my mom Cheryl, my two dogs Max and Scrappy, and my pony Moose. I am thankful for everything.
