

Thanksgiving Is A Wonderful Holiday

On Thanksgiving my family gives thanks. We eat lots of food. We also have lots of family members come over to my house. We pray and say what we give thanks to. Its lots of fun.

When we eat my grandfather says the prayer. We watch television and have a delicious dinner. We even play thanksgiving dinner. This I a good time of the year because our family doesn't see each other a lot so, it's a good time for us to see each other.

My mom and my aunt cook delicious food. I eat two Plates of food. When we are finished we eat a delicious desert of desert that I made. I love Thanksgiving.
