

*Thanksgiving is around the corner .I really cant wait until it comes I am sure the food will be great but I'm not here to talk about what food I will eat or how much fun I may have. I want to tell you what I am thankful for,I am thankful for the food that I eat and the magnificent parents that I have also a great supportive family on my side. In addition I am also thankful for the ground I stand on and and my great brother that is always with me I look up to him. In my family when we have a thanksgiving party or dinner we always pray first and each one of us say what we are thankful for then we eat in great honor of the pilgrims who created thanksgiving. That is what I am thankful for!*
