

*Thanksgiving is coming. It is a holiday where we give god thanks for what he's done. Since I live in a Jamaican household, we make various types of Jamaican delicacies. We are also all about family and having a good time.*

*I'm a very fortunate kid, so I'd like to write about what I'm thankful for. I'm thankful for everything I have like a loving family, a lot of friends, and food with a nice warm home to top it off.*

*But what really bothers me is the fact that ... not everyone in the world is as fortunate as I am. But I hope for the best for everyone on Thanksgiving.*
