What Am I Thankful For?

I am thankful for my teacher for teaching me in school.

If you try it might be cool.

Learning is fun.

Which subject is your favorite one?

Moms, dads, uncles, aunts help you learn your ABC's.

They help you count by 123's.

I'm strong, I'm smart.

I'm really good in art.

What subject do you like? I hope it's very good.

I think you heard what I said. I hope you understood.

Well I am thankful for my teachers.

To teach me very good features.

That is what I am thankful for. What are you thankful for?

Please tell me...I want to know more.

It was nice meeting you, it was really fun.

I hope you were happy, and not so very glum.

So this is the end.

I had fun saying hi.

But now it is time for me to say good bye!
