

*What I am thankful for this Thanksgiving*

*I am thankful for all God gave: The world, the universe and especially Earth. I am thankful for all the trees and all the air that's all that we breathe. I am thankful for food and water. I am thankful for all my parents give, for education, shelter, and clothes. I am thankful for life and especially the turkey that we eat on Thanksgiving. I am thankful for all God gave to celebrate Thanksgiving.*
