

What I am thankful for this year

I am thankful for my mom. My mom is sweet, kind and the best mom ever. She puts me on and takes me off of the bus every day. My mom takes me to all my sports and cheers for me and my team. I am thankful because she pays every time we go on a vacation. She always helps me with my homework and she buys me ice cream when I do well in school. She sometimes takes our family out to dinner. She makes me breakfast and dinner every day and takes good care of me. For all these reasons, I am thankful for my mom.
