

This time of year I am thankful for many things. One of the things I am most thankful for is my family. My family is very important to me and I am very thankful for all the people that care for me, play with me, love me, and over all, encourage me to do my best at everything I do. I have two brothers and 1 sister, and they are very special to me because they play with me and we have lots of fun together. We do swimming in our pool and have kickball games in our backyard with our neighbors. Also my Aunt Jenny, Uncle Jim and cousins, Joseph and Jacob are important to me because they live very close and I see them almost every day. Sometimes I also babysit Jacob and Joseph and help my aunt cook. My dad, and uncle and I once went to a soccer game together. Family is something that is very important to me.

Another thing I am very thankful for is my education. Education is expensive and I am thankful that my family can pay for me to go to school. At school we have so many classes like band and all the different specials that I enjoy such as art, technology, music and home and careers. Also here at Middle School we have great teachers like Mrs. Crabb and Mrs. Lavery. I am thankful for many things.
