

I am thankful for my family.

I am thankful for my family because they are very nice to people, they try to get me everything I want for christmas and my birthday. My birthday is on Dec. 31st so i get most my christmas and birthday presents at the same time. We are even going to Disney for christmas and my birthday to. As you can see they are very nice. They are very loving and caring too. My Mom and Dad work hard so we can keep living in our big house. This year we went to Comic Con. It was very fun, i got signed drawings from my favorite artists. I am also really really good at drawing if you seen one of my pictures you would be amazed!! I hope to be an illustrator for books someday.

My family also likes to joke around. My Dad is the funniest!

Thank you for listening.
