

## Thanksgiving Story

Have you ever realized how lucky you are? Have you wondered how homeless people survive and how they celebrate Thanksgiving? What are you thankful for, are you thankful for your family and what they do for you? We have a lot to think about around this time of year.

I am thankful for my family and what they do for me. We go to my aunts house and have Thanksgiving there. They buy ham and turkey but sometimes my dad hunts for the turkey for Thanksgiving and sometimes I watch him get the turkey. Then I go with him to the butcher. Before and after dinner we go around the table saying what we are thankful for. I said I was thankful for my parents and what they do for me and my brother.

Do you take the time to think about the people who have less money than you? Do you think about giving the homeless people food, toys, and clothing? I try to give all those thing to the homeless and poor when I can. You should give all those to the homeless and the poor. Before Thanksgiving go up to your bed room and take a second to appreciate what you have.

I hope you take the time to appreciate what you have and let your self know how lucky you are, and remember you should give to the poor and the homeless. I hope you are thankful for something in your life. We all should be!
