Ogden Elementary School

Thanksgiving is a time to be thankful for many important things. One thing I'm thankful for is my pets. I have two pet dogs that I'm thankful for. My dogs are the greatest. They love me and they're always ready to play ball or go for a walk.

Another thing that I'm thankful for is my family. My family loves me and is always here to support me. I have two brothers and one sister. My family loves me and I love them, too.

I am also thankful for the gift of friends. My friends are just like my family, they support me and they are nice to me.

These are the things I'm most thankful for.
