Thanksgiving is a time to give thanks for what you are thankful for. I am thankful for my family. For example, some people don't know what family is because do not have a family. That is what I am thankful for my family.

Another thing I am thankful for is my house/shelter. The reason I am thankful for it is because some people have to sleep on the streets because they are homeless. That is why I am thankful for my home.

The third thing I am thankful for is my education. Some people don't have a good education, so they don't have good jobs. That is why I am thankful for my education.

Those are three main things I am thankful for.
