Thanksgiving is a time to give thanks. I'm thankful for my family and my life.

I'm thankful for my family because I love them. They are very caring people. For example, my grandpa makes all these things for me like a huge doll house with his bare hands. I'm very lucky to have my family.

I'm so grateful for the gift of life. One example is that without my life I would not have met my brother, Luigi, and my grandpa, my mom, my dad, and my dogs, Trudy and Butch, and many others. I love them all so much. I wouldn't see my friends or all the teachers I know and love. I'm lucky to have them all.

Since I have my family, friends, and life, I'm going to donate some toys so children who aren't as fortunate can feel the joy, love, and cheer all around. Then they could be thankful for things, too. I'm really thankful this year for everything in my life.
