

What Thanksgiving Means To Me

Dear New Yorkers,

I am eager to tell you what I want to share with the world what I have learned about Thanksgiving. Thanksgiving started out when the pilgrims gathered all of their foods from planting so they had a big feast. They named this "Thanksgiving." We celebrate this holiday every year. I will write a poem.

*Thanksgiving is the season of sharing
It also defines caring
So start giving and stop taking
And start embracing
Start mailing letters to family and friends
Because this holiday never ends!*

Sincerely,

Raodatullah Abodunrin Ps 279 5-316
