I'm mostly thankful for my family.
I'm thankful for a house.
I'm thankful for people to be
Here with me so I have friends.
I'm thankful to be here today.
I'm thankful to have holidays
Like Christmas and birthdays.
The best thing I'm thankful for
Is to have a great life!*

I am thankful for having pets to play with . I am also thankful for my soul so I can go to heaven. And I am thankful for the food I have to eat. Most of all I am happy for having a house to live in.

Its thanksgiving time
and this is what I am thankful for ...
Going turkey hunting!
I love to go turkey hunting!
My opinion is
That turkey that you hunt tastes better then the store dough one.
I am also thankful for my family.
When I go turkey hunting
I go with my Dad and grampa and my cunsing matt and tim.
I love the thrill
When someone gets a turkey
Because then we can eat!

I'm thankful for the people who are celebrating Thanksgiving and all the food.
I'm especially thankful to the turkey and cranberries and the people who

celebrate. I can't wait to see my family on Thanksgiving day. I usually get presents on Thanksgiving from cousins and my family, so I can't wait. I'm even thankful for going to Thanksgiving and celebrating Thanksgiving. I'm thankful for everyone who comes on Thanksgiving day. I can't wait until thanksgiving day to learn new things to be thankful for!

What I am thankful for this Thanksgiving is my family and lots of people. I am thankful for my baby cousins and my big cousins. I am thankful for the army, especially my cousin Luke who is in the army. He is training to be in the Air Force. I am also thankful for the turkey raffle. If it

wasn't for the turkey raffle we wouldn't have a turkey for dinner. I am thankful for my ability to teach my cousins. I am thankful for my friends. They are the best people in the school. I love my family and my friends and that is what I am thankful for this Thanksgiving .

I am thankful for....
my pets, life, family, and friends.
I will never forget the turkey on Grandma's new glass plate
or the cranberry sauce with such a delicious taste
and I can't forget the corn the Indians grew long ago
or even the mashed potatoes.

I'm thankful for the food we eat
on that glorious day,
or the friends and family
we see and eat with that day.

I don't know what I'd do without my family.
My animals comfort me and my parents do the same.
My grandma tells me stories about so long ago.

If my grandpa was here he would be proud of me.
So many times we had together.
I will never forget.
But now I have an angel looking down at me today.

But the thing I'm most thankful for is my life

Things I'm Thankful For

Some people don't have toys or games. Some people don't have homes. Some people don't have food to eat, so they starve to death. One last thing, most people don't have is a family and the heart. The heart is something special that someone needs to live, but if no one is nice or kind or thankful, the heart breaks.

I am mostly thankful for a family and friends and whatever I need. And I am thankful for a heart. But a month ago my heart cracked and I cry every night because my favorite Grandma died. This grandma wasn't any Grandma, she loved me when I did something very wrong. She was like an angel who soon had to return to Heaven so life could go on. But I am still thankful for a lot more things than just that. I am mostly thankful for Jesus whose in my heart and helps me when I do something wrong. There is more things I will not be able to list, but all I want for Christmas and Thanksgiving is my dead sister back and my family.

I'm thankful for being alive
 and my family, friends and 🍁
 life music too.....
 My family and friends are
 always there
 They love me and they care
 and sometimes they share. 🍁

Music has always been there
 even sometimes..... in my hair
 Music has saved me in some cases
 It's even helped me not falling
 down staircases.

🍁
 My friends are always at my side
 even when I'm about to cry
 But outside they act
 like they're fine.
 But inside when they see
 me cry
 they say I will shine 🍁
