

Thankful On Thanksgiving

I'm thankful for my mom and uncle's birthday. I'm thankful to be alive.

Having a good time with my cousins and my aunt's and uncle's and my grandparents.

This is the day I have always been waiting for because I get to celebrate two things, which is fun.

Turkey, veggies, peppers and sausage, and desert, oh so great.

Thanksgiving is my mom and uncle's birthday and I get to give them presents. It is so fun!:)
