Thanksgiving

I'm thankful for the coolest things that I ever had. I'm thankful for my pets because they keep me company. My dog Diesel licks me a lot and he hugs me. Also, I am thankful for my friends because they keep me safe, they trust me and they listen to me. My friends even make me laugh. Another thing I'm thankful for is my home because it keeps me safe, warm and protected. Finally, I'm thankful that the soldiers' are coming home. In conclusion, these are the things that I'm thankful for this thanksgiving.
