

Happy Thanksgiving

Thanksgiving is almost here, so our minds have turned  
To whatever time has taught us, to what we've learned:  
We often focus all our thought  
On shiny things we've bought;  
We take our pleasure in material things  
Forgetting the pleasure of what friendship brings.  
If a lot of our stuff just vanished today,  
We would see the foundation of each happy day  
Is special relationships, constant and true,  
And that's when our thoughts go to you.  
I wish you a happy Thanksgiving you'll never forget,  
Full of love and joy—the best one yet!  
I'm Thankful for

I'm Thankful for many things but the ones in this acrostic poem are the most  
ravishing and delectable.

Truly loving,
