THANKSGIVING.....

Thanking all the people i love

Hoping that the food is yummy

Almost going pop a button

No more food

Kelsey is thankful for the food and warm hug

Sweet old grandma slicing pumpkin pie

Giving cards to grandma to tell her thankyou

Icy cold ice cream giving me a clod chill

Voice of a sweet little girl saying thanks to everyone

I am thankful for you and my life

Nothing is going to make me get mad

Go go get the most turkey
