# THANKSGIVING

Thanksgiving is a day when we share we cook turkey and corn and pumkin pie with care. Well we sit at the table waiting for the food to arrive we sit there and say grace with pride.'Rummbles' goes my stomach and there comes the food i am happy that it is here but i was the last one to get pasted too.Boy i was so stuffed i could not even walk i felt fat so i got away from the food and pet the cat.I did not want to leave i was having a great day there but i had to get prepare for black friday.I was about to fall asleep so i did when we got home and we still had left overs i went to bed and went to sleep!
