

Thankful for many things!
Happy to have a loving family!
Apple cider is what I will drink!
Never be unappreciative!
Keep loving and appreciating everything!
Say thank you!
Give a hug to someone!
If you are appreciative let your family know!
Viewing a turkey can be gross!
I love my family!
Never act spoiled!
Great to have my family around for me!

Thanksgiving is what I love
I'd also like to see a dove!

I'm thankful for all I have
I also love my mom and dad!

Apple Cider is the drink for me!
I'd also like a big turkey!

A 10 pound turkey
Makes me go bizzerky!

I'm not excited for thanksgiving
Because I want to keep on living!
