

I am thankful for...

my family and more.

Why am I thankful for this

because they give me so much bliss.

I am thankful for...

my friends and so much more.

Why am I writing this

because of their lovingness.

I am thankful for...

all of my food and more.

Why am I writing this

because whenever I see my food

I'm in a happy mood.

I am thankful for...

my house and so much more.

Why am I writing this

because it's where my favorite place is.
