What am I thankful for?

1. I am thankful for a mom because she cares about me and takes care of me and I appreciate having a thankful mother that cares and loves me.
2. I appreciate the things she does for me like buying me a Xbox 360 and all the other stuff she does.
3. I am thankful for a wonderful family I have and I am thankful for having a sister and brother. I love my family.
4. I make my family happy by making jokes and making them laugh.
