

I am thankful for many things. I am thankful for my teacher, family, friends and my PLAYSTATION 2. These things are the things I love a lot. To start my teacher gives the class treats. She gives us lollipops, Hershey Kisses, Twizzlers, and Prizes. Ms. Lebowitz helps me with my work. For example she helped me with FOUR – SQUARE GRAPIC ORGANIZER. She lets us have free time. When Egypt was leaving we had free time to say good bye. My last teacher didn't let people get water and Ms. Lebowitz lets us get water even when we are doing work. The Second thing I am thankful for is my family and friends. They pick me up. Yesterday my bother and my friend pick me up. My friends name is Tavon. Also my God mother picked me up. I call her Grandma. My friend Brianna picks me up too. When I was in second grade my brother Reggie and his friend tag team on me. They were slap boxing with me. My family and friends always listen to me; I might go to my friend's house when my dad gets home. The last thing I am thankful for is my PLAYSTATION 2. I had it for 2 years now and it never acted up. It never froze up. I can play any kind of movie. Square button on the controller is to rewind.

In conclusion, I LOVE MY LIFE!!! My teacher is the best teacher ever. She lets us almost do everything. She is almost like a mom. My family is always positive. My Bother is always smiling. My Play station 2 is a lot of fun I play it everyday.
