

I am Thankful for...

I am thankful for my house
Luckily it has no mouse
I'm thankful for sports
Which I play on basketball courts
And I like my special clothes
Even if they are really old
I am thankful for my school
Knowing algebra is a terrific tool
Thankful for the food I eat
I really like the veggies and meats
I am thankful for my family
Everyday I love them even more
What are you thankful for?
