

What I'm Thankful for

I am thankful for my cousin because he's in the army fighting for our life and his life.

Another thing I'm thankful for is my clothing because I would be cold in the winter.

I am also thankful for my friends because they play with me and make me happy when

I'm bored. Another thing I'm thankful for is my teachers because they teach me what

I don't know. Another thing I'm thankful for is the world.

Also thankful for my home and pets because they snuggle with you and the home keeps you dry from snow and water.

The most important is my family because I would not have any one to love me. That's what I'm thankful for.
