

Thanksgiving

Being Thankful

Thankful means that you're happy for what you have.

I am thankful for Tyler because he is one of my best friends.

Also I'm thankful for my best friend Nicky Previtara because he is my best, best friend.

Being thankful is great.

Being thankful is cool.

Being thankful is sweet like pie.

Being thankful is special.

I am thankful for school.

School teaches us math, science, social studies and word study.

I'm sorry to say this, but goodbye!!
