What I'm Thankful For

I am thankful for my dog. Yah, that sounds weird. Like "thankful for a dog? That sounds like a joke." Well judge as you like, I am. I am very thankful for my dog, Paco. Why? Well, he is cute, tiny, oh and saved my dad's life. A twist! Well, yep. My little rat terrier, 12-pound doggie saved my dad's life. You read me. "How could a tiny dog like that save a full grown man's life?" you may ask. Well, one summer night, my dad had a low-blood sugar attack thing. He was shaking and everything. My mom was fast asleep. But, my dog heard my dad's rapped breathing. Paco, being the loud dog he is, barked. Barked so loud in my mom's ear, she had to wake up. Good thing she did too or something much worse could have happened to my dad. My mom called 9-1-1 and they took it from there. Can you believe I was asleep the entire time!?! Well, I sleep in the attic so I can. If it was not for Paco, there's a really real possibility I would not have a dad right now. So, yah. I am super thankful for my dog, Super dog, Paco.
