

Appreciate
By Noah Hersch
Grade 5, Mattlin Middle School

Always remember our soldiers fighting for us.

Preserve the great memories of our loved ones who

Put their lives ahead of ours.

Respect our teachers who educate us.

Environments should be valued and protected.

Cooperate with our friends and neighbors because

Improper behavior does not work.

Answer with kind words when we are spoken to.

Treasure our best moments and

Enjoy all that we should be thankful for each day.
