Thanksgiving Poem

THANKSGIVING!!!!!!

It's getting cold outside!
The leaves are falling.
We are all left in awe. For
It is Thanksgiving! Thanksgiving
Thanksgiving, it's finally here.
Thanksgiving Thanksgiving, give out a cheer.
Goble goble, the turkeys will wobble,
for they do not want to be Thanksgiving dinner.
Let's gather around!
Come, come, come over here!
You and you, sit down, sit down, sit down!
What is Thanksgiving?
Now that is a question I'll answer.
For it is not about food or watching t.v!
It is about being thankful, and spending time with family.
