### I Am Thankful For

I am thankful for food because kids on the streets do not get to have enough to eat. My mom can afford to pay for our food. Some families try to get as they can so their kids can be fed. This is hard when you do not have money. So I am thankful for my food.

I am thankful for my home because I will not get sick from the cold. Some people do not have a home to keep warm. Some people do not have money to pay for heat and electricity. I am thankful that I have heat and electric power at my house.

I am thankful for my grandparents and great grandparents. I have four grandparents. I also have seven great grandparents. I go shopping with my Grandma Pam at Justice. Some people do not have any grandparents. That is why I am thankful for mine.

I am thankful for my parents because they love and take care of me. They make sure I am clean. I love that about them. Sometimes I help my Mom cook and I help my Dad with work. I help him by scanning the cigarettes and putting them in a bag for the customers, then I put the money in the cash register or swipe the card.

I am thankful for my clothes because some kids do not have warm clothes. During the winter they could get sick because they do not have clothes. My mom buys me Roca Wear, Pastry and Baby Phat clothes. That is why I am thankful for the people I have in my life.
