

## WHAT I AM THANKFUL FOR, THIS PAST YEAR

Let me start by saying that this past year has been an experience one for me.

I came to this country early last year and did not know anything about America and the people, when I was in Ghana. But for this past year I have got to know how wonderful this country and everybody here is.

I am very thankful for my parents for making every effort to bring me here in America and sending me to St. Raymond Elementary School, so that I can have a better future. I am also thankful for everybody in my school for being nice to me when I first went there, especially my teacher Ms Northover. This Thursday I will be experiencing my first Thanksgiving for the first time in my life, and even though I don't know what it is all about I hope and will enjoy as well.

Special thanks also goes to my grandparents who took care of me when I was in Ghana and to God for being so good for helping my family be healthy and stay strong all the time. Last but not least I thank everybody in my life and not only my family But everyone in the world. Especially my dad who is the best dad in the world.
