

Things to Be Thankful For

Doesn't it feel good to have things to be thankful for? This year, I am thankful for my mom and dad, because they take care of me and they gave me life. I am also thankful for my wonderful house; I would struggle to live without it. Third, I am thankful that my family is not poor, without money, we would not have enough food to survive. Fourth, I am thankful for the U.S. Armed Forces, because they keep me safe. Every time I see a soldier in uniform, I shake their hand and thank them for their protective service. Next, I am thankful for my entire family, especially my great grandma who is in heaven and my NaNa, Pop Pop, Grandma and Grandpa because they watch me when my parents are not there and they love me more than I know. Last but not least, I am thankful for my life, without my life, I would not exist. My life is amazing, I am so fortunate to have a great life; I look forward to being the best I can be. I am so lucky to have many things to be thankful for.
