

Thanksgiving

Thanksgiving

is not all about food and fun. It's about giving thanks and being thankful. I'm thankful all year round. Not just on thanksgiving or Christmas or Halloween but ALL year around. Every holiday we get presents not like other kids who don't have the chance. Most people don't get good clothing, food, presents or toys. We get the good things and everyone should be thankful for them. I'm thankful for my toys and games and even my friends. **I wish everyone was like us. They would have cable, TV, heat, blankets and pillows. Some people are nice enough to donate to the poor or just anyone that don't have things like us. SO BE THANKFUL FOREVERYTHING YOU HAVE THIS THANKSGIVING!**
