

Dear Senator Alesi,

Thanksgiving is a great time to be thankful for the things you have and people you love. I am Ashish Behal. I am 11 yeears old and would like to tell you what i am thankful for. There are many things I am appreciative for such as my teachers, my house, my friends and the most important is my family. My family takes care of me and provides me with a home. They also take care of me by providing me with needs and wants. This is why I think people should respect and care for their families not only on Thanksgiving but all the time. There are many things our families do for us if you think about it.

From,
Ashish Behal
