On Saturday, I was joined by Scout Troop #94 of Gates and employees from Sunnking Electronics Recycling, as we took part in an electronics recycling event at the Monroe County Ecopark. I would like to personally thank both Cindy Jessop of Sunnking Electronics Recycling and Chris Mueller of Time Warner Cable for making this event possible. During the event, which ran from 9 a.m. until 2 p.m., we collected several thousand pounds of electronics from televisions, to old computers.
