

NEW YORK STATE SENATOR

Kemp Hannon

236th Legislative Health Committee Report

KEMP HANNON March 24, 2014

| ISSUE: **HEALTH**

| COMMITTEE: **HEALTH**

The 2014 legislative session was very active for the Senate Standing Committee on Health. Please see the attached Committee Report detailing the Committee's legislative accomplishments, initiatives, public hearings, roundtable discussions and confirmations. Hard copies of the Committee Report are available upon request,
