

NEW YORK STATE SENATOR

Kemp Hannon

236th & 237th Legislative Health Committee Report

KEMP HANNON February 2, 2015

| ISSUE: **HEALTH**

| COMMITTEE: **HEALTH**

The last two years were busy legislative sessions. The attached report details both the session and off session activities of the Senate Health Committee throughout 2013 and 2014. In addition to the vast policy and legislative changes addressed, the Committee worked to bring focus to urgent health care issues through various task forces, public hearings and roundtable discussions. Hard copies of the Committee Report are available upon request,
