Viscardi School Students and Staff Discuss State Budget With Senator Martins

JACK M. MARTINS March 2, 2016

| ISSUE: **STATE BUDGET**

Senator Jack M. Martins (R-7th Senate District) recently welcomed students and staff from the Henry Viscardi School to his Albany office. The students and staff were in Albany to meet with state legislators and discuss the State Budget as part of “4201 Schools Advocacy Day,” which advocates for schools that serve individuals who are deaf, blind, or severely physically disabled.

Senator Martins is pictured meeting with the students and staff in his Albany office.
