State Funding Will Continue Revitalization Efforts in Downtown Olean

CATHARINE YOUNG January 26, 2017

| ISSUE: **ECONOMIC DEVELOPMENT, LOCAL GOVERNMENT**

“Effective community development starts with having the infrastructure in place to support investments and growth. I have supported Olean’s downtown redevelopment initiative, because the locally crafted plan is attracting exciting new businesses and encouraging renewed activity on Union Street and the surrounding areas. The RESTORE NY funding announced today will enhance ongoing efforts to encourage activity downtown. This project continues to demonstrate how officials on all levels of government can truly work together to build a brighter future,” said Senator Young.
