Union Proud & Union Strong

| ISSUE: **UNIONS, LABOR**

Having been a member of DC37 for twenty-eight years, I know first-hand the value of unions. Unions have been at the core of upholding workers' rights for generations. We need to build on that legacy of protecting worker safety, fighting for fair wages, and upholding the value of shared prosperity. We need to be sure we expand upon our past successes. I am proud to stand with unions and my colleagues to advance the labor movement and uphold values central to every community participating in the American dream.

Worthwhile to revisit the words of Dr. Martin Luther Kings Jr. from 1961:

q

In our glorious fight for civil rights, we must guard against being fooled by false slogans, such as 'right to work.' It is a law to rob us of our civil rights and job rights. Its purpose is to destroy labor unions and the freedom of collective bargaining by which unions have improved wages and working conditions of everyone...Wherever these laws have been passed, wages are lower, job opportunities are fewer and there are no civil rights. We do not intend to let them do this to us. We demand this fraud be stopped. Our weapon is our vote.
