| ISSUE: **EMAIL BLAST**, **DISTRICT UPDATES**, **COMMUNITY CONVENTION**, **26TH DISTRICT**, **EMAIL UPDATE**

Dear Friend,

Every year, I host my **Community Convention** to discuss your priorities for the district and beyond. This year's **Convention** will be **Sunday, April 23rd** from **2-5 p.m.** at **Stuyvesant High School, 345 Chambers St.** I'll be sending more information on the **Convention** shortly, but in the meantime, please **RSVP here**.

I also wanted to share some news on issues I've been working on:

- At a time when basic American values are under attack, I'm organizing with the Democratic Conference to push for New York to lead the way in **ensuring voters can exercise their rights**.
- I **spoke on the Senate's Holocaust Remembrance Day Resolution** to ensure New York recognized the nearly 6 million Jewish lives lost in the Holocaust -- something the President, sadly, chose not to do.
- Join me in fighting against a state budget proposal that could have serious unintended consequences for senior services by **signing this petition** to help make sure the budget doesn't leave seniors out in the cold.
- Our city's parks are strengthened by conservancies, and the entire system is strengthened when our conservancies are an active part of the parks system. That's why I proposed the Neighborhood Parks Alliance, which is **helping make real impacts in neighborhood parks**.
- I'm **continuing my push for construction coordination in Lower Manhattan**, and won a **stop to after-hours construction at the Long Island College Hospital site** in Brooklyn.
- I **brought my push for answers on the sale and closure of Rivington House** -- a shuttered Lower East Side nursing home -- to the Senate.
- Since writing the intercity bus law, I stayed on the case to ensure it actually works -- and recently announced "**fast and furious**" **enforcement actions against illegal operators**.

I hope to see you at the **Convention** -- don't forget to **RSVP**. And, as always, please don't hesitate to contact my office at 212-298-5565, 718-875-1517, or squadron@nysenate.gov.

Best,

Daniel
