City of Rochester Awarded NYPA Grant

JOSEPH E. ROBACH November 1, 2017

| ISSUE: **CLEAN ENERGY, ENERGY**

The City of Rochester was recently awarded an \$840,000 grant from the New York Power Authority for two new innovative energy-saving projects that will help the city reduce greenhouse gas and save approximately \$90,000 in annual energy costs. Congratulations to the City of Rochester, and thank you for making a commitment to clean energy in our region.
