

NEW YORK STATE SENATOR
Jesse Hamilton

Protect Reproductive Rights

JESSE HAMILTON July 16, 2018

| ISSUE: **REPRODUCTIVE HEALTH ACT (RHA), HUMAN RIGHTS, REPRODUCTIVE RIGHTS, PUBLIC HEALTH**

Legislators and Supreme Court justices should not second-guess women's decisions on their reproductive health.

New York Senator Jesse Hamilton

Legislators and Supreme Court justices should not second-guess women's decisions on their reproductive health. Instead, we should support women's individual freedom to make these judgements for themselves. Patients need a doctor's consultation, not a consult with the legislature or a consult with the courts. We must ensure women are fully empowered to make their own decisions for their health and well-being. That is why we must act to codify Roe v. Wade in New York State law and to protect the rights of New Yorkers.

I join Governor Cuomo, Senate Democratic Leader Andrea Stewart-Cousins, and colleagues in calling for Senate Republicans to return to Albany to allow a vote to codify Roe v. Wade into New York State Law. Read Gov. Cuomo and Democratic Leader Andrea Stewart-Cousins
