

NEW YORK STATE SENATOR
Joseph E. Robach

Senator Robach Attends Gates First Responders Day

JOSEPH E. ROBACH September 19, 2019

| ISSUE: **FIRST RESPONDERS**

I was pleased to join first responders and the Gates community for the annual Town of Gates First Responders Day program. This annual event brings the community together to thank our first responders for their tireless work and dedication. This year, we were fortunate to have a touching tribute to late Gates Fireman Joe Manuse who was known throughout Gates for his service and friendship. Thanks to everyone who helped make today's program possible.
