Lanza's Annual Toy Drive Delivers Hundreds of Gifts to Toys for Tots

ANDREW J. LANZA November 14, 2019

Senator Lanza's annual Toys for Tots drive delivered hundreds of new toys to Staten Island's children in need. This year's success is thanks to the generous donations of Staten Islanders along with the incredible efforts of Broadway Stages and DEP's Oakwood Beach Wastewater Treatment Plant.

Senator Diane Savino and Assemblywoman Nicole Malliotakis were on hand when the toys were presented to Toys for Tots coordinator Marine Volker Heyde of the Marine Corps League.
