Statement from Senator Jim Tedisco on the Roman Catholic Diocese of Albany Filing for Bankruptcy

JAMES TEDISCO March 15, 2023

| ISSUE: **ST. CLARE'S, BANKRUPTCY, PENSION, SEXUAL ABUSE VICTIMS**

Albany - -“What the Diocese announced today is absolutely shameful. They can run from their despicable actions and financial maneuverings, but they can’t hide from the Lord or the court of public opinion about what they did to all their victims including the 1100-plus St. Clare’s Hospital Pensioners who were robbed of their retirement savings. Those of us who have stood up for and fought for justice alongside these outstanding health care providers are not going away and I know neither are they. We will continue to pursue the justice they deserve in every possible way!”
